

Partner Schools Program

Impact for 2023-2024 School Year

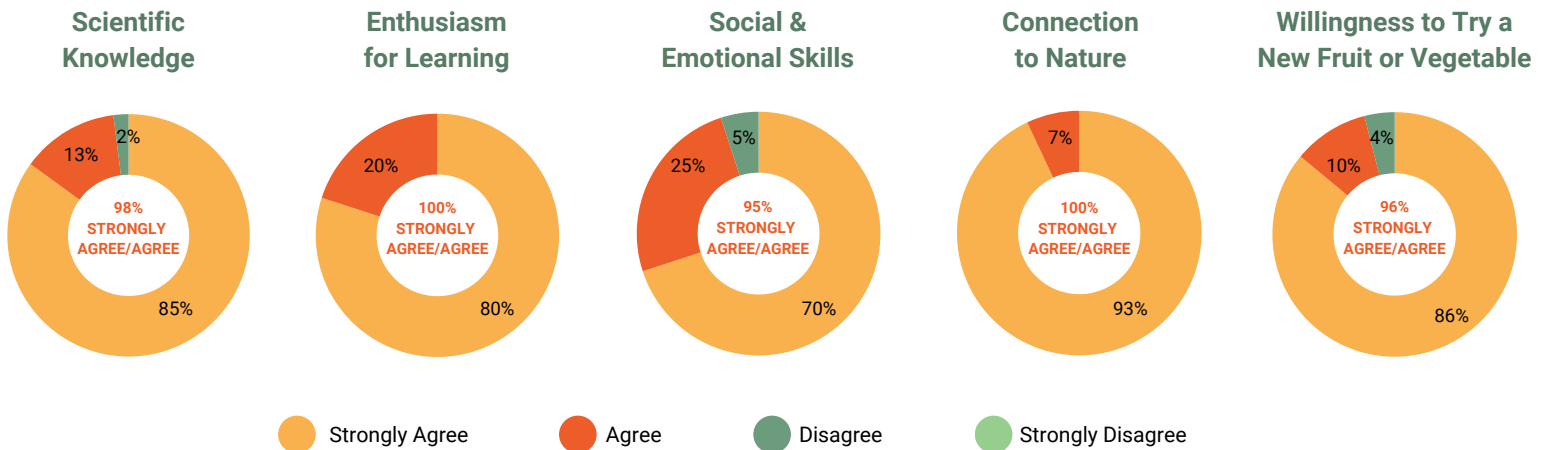

In partnership with Pajaro Valley Unified School District (PVUSD), Life Lab provides full-time garden educators in outdoor garden classrooms at 13 elementary schools in the District.

Student Improvements

84 Teachers whose classes participated in Life Lab programs in Fall 2023 reported that Life Lab programs increased their students'...

“Students are more connected to the Earth, to each other, and are empowered to be stewards. Garden learning also honors the contributions many of their parents make in their work in the fields.”

-PVUSD Teacher
